Windsor Factory Supply Ltd. acquires Keep Industrial Supply Limited.

The Employee Owners of Windsor Factory Supply Ltd., are happy to announce that an agreement has been reached to acquire Keep Industrial Supply Limited.

Founded in 1955, Windsor Factory Supply Ltd., with locations in Windsor, Leamington, Wallaceburg, Sarnia, London and Mississauga, is a leading provider of industrial, construction, plumbing, safety and MRO products in many markets throughout Ontario. Keep Industrial, with locations in Woodstock, Brantford and Stratford Ontario, in business for over 40 years, is a strategic addition to Windsor Factory Supply's core business.

The business will continue to operate as "Keep Industrial Supply Limited, a member of the Windsor Factory Supply group of companies."

"Windsor Factory Supply is a logical fit to enhance our reputation of community involvement, quality customer service and excellent product mix", says Sam Keeping, President of Keep Industrial Supply Limited.

Keep's customer relationships and business solutions will complement Windsor Factory Supply's business and extends their ability to deliver quality products and exceptional service to their growing customer base.

"This acquisition will continue to strengthen our reputation as a leader in the Industrial Supply Chain. It represents an exciting milestone for our company, and we look forward to continued, prosperous growth in the Province" comments Rick Thurston, President of Windsor Factory Supply.
