

Magnetic TECH Electronic Level - Type 196-EM

Strongest rare earth magnets. Two displays, top and side. 5 construction languages: units of measure, degrees, percentage, mm/M, In/Ft in decimal, In/Ft fractional.

Part No. 41U 38924

Laser Measure

Fast and accurate measuring all in the compact size of a cell phone. Bright backlit screen. Length, area, volume & pythagorean. Continuous measure function. Belt pouch included.

Part No. 06300

Torpedo Levels

Big, bright, easy to read vials. Strongest magnets ever - just try to pull them off steel without twisting your wrist. Heavy-duty, die-cast frame. Certified accuracy in normal reading positions: 1/32" over 72". Level accuracy guaranteed for life; vials will never fog, leak or require adjustment.

Part No. 41U 25245

LEATHER HOLSTER
Also Available

Non Magnetic Heavy Duty Levels - Type 196

Crystal clear vials readable in any direction with no change in accuracy tolerance. Spring steel hairline indicators in vials. Rubber end caps grip walls and do not leave marks. Large comfortable rubber hand holes.

Variety Of
LENGTHS
AVAILABLE

Part No. 41U 37448
48" Type 196 Level w/hand holes

Self-Leveling ProLiner Laser - LAX200

Fast- self leveling lines. Fixed cross line for angles. Pulse technology, use with a receiver. Integrated rotating magnetic mount. Pendulum lock, for added protection.

FOUR Modes:

- Horizontal only
- Vertical only
- Cross- line
- Fixed cross- line for angles
