

# Ecolution™

CLEAN WITH GREEN

## Protect the environment with amazing cleaning performance!

STATE®  
Care for work environments®

Cleaning with Ecolution helps you create safer, cleaner and healthier facility environments while reducing negative impacts on the outdoor environment. Clean without sacrificing effectiveness. Ecolution cleaning products will meet your fundamental cleaning tasks, not only will you clean for appearance sake, but for health sake too!

Healthier facilities for everyone. Our products have no offensive fragrances, minimize exposure to aggressive chemicals, improve indoor air quality with less volatile organic compounds, increase worker productivity and reduce absenteeism. Reduced cleaning labour time, and minimum product usage... the benefits are endless.

### 1. Survey Your Needs

We'll develop a custom cleaning program for your specific needs and we'll identify specific cleaning challenges.

### 2. Solutions

Next we'll configure your cost-effective system with our One Solution™ Dilution System.

### 3. Installation

We install equipment and optimize dilution ratios for you, with our reliable, consistent chemical dilution system.

### 4. Staff Training

We'll train your staff on green cleaning products, and show efficient use of chemicals to reduce waste.

### 5. Support

Monthly service of equipment, service reports and documentation, including cost saving recommendations.
