Care for work environments®

### Fragrance Burst Air Sanitizer Airborne Bacteria & Odor Reducer

When indoor airborne bacteria is a concern, Fragrance Burst Air Sanitizer is the answer. Use with our metered aerosol dispensing system to reduce bacteria and odors in the air 24-hours a day. Based on State Chemical's SE-500™ odor neutralizing additive. SE-500 binds with the odor molecules to completely neutralize them. This system can be used in many different areas: restrooms, offices and conference rooms, lobby entryways, and disposal areas.

#### Available fragrances:

- French Vanilla** - Warming atmosphere, relaxing, recommend for retail and lobby areas
- Tropical Breeze** - Festive, relaxing recommend for party rooms and entertainment areas
