## 79-T06 Flexible High Security Container Seal

The exclusive manufacturer of the only Flexible High Security Bolt Seal. Traditional bolt seals are difficult to cut, OneSeal's Flexible Bolt Seals are easier to remove. Flexible Bolt Seals offer unique tamper-evident features.

- Won't puncture tires like rigid bolt seals
- The seal of choice for customs

**ISO 17712:2006 Classification:**  
**High Security C-TPAT**

Part No. 7ST 79-T06-1RE
