

October 27, 2009

It is with great pleasure that we announce the amalgamation of our companies. Windsor Factory Supply Ltd., Keep Industrial Supply Ltd., and WF Industrial Supply Inc, have been united under the new brand WFS Ltd.

WFS Ltd., “Industry’s Supply Partner”, solidifies our employee owner’s commitment to our growing customer base, while ensuring a consistent direction with our vendors and business associates.

Even though our name is changing, our dedication to customer service and continuous improvement will remain at the core of our business. To insure a smooth transition, a campaign will unfold over the next few months to inform and assure our customer base that we continue to be committed to these values. **The official date of the change over is January 1, 2010.** As seamless as the transition will be, if there are any questions, please feel free to contact us for any type of clarification.

We would like to take this opportunity to thank all of you, our customers and vendors for your never ending support as well as your continued encouragement, as we enter this next exciting phase in our company’s history.

Sincerely,

Rick Thurston, President  
*on behalf of the Employee Owners of WFS Ltd.*
